How Does the Gift Catalogue Work?

Are you looking for the perfect gift for that special someone? Do you have a friend, parent, teacher or mentor whom you would like to thank or honour? Do you want to give a gift that matter? If yes, then look no further than Kitega Community Centre's gift catalogue.

Our gift catalogue allows you to make a gift to Kitega community on behalf of someone special. Your gift will bring a smile to someone in Kitega as well as the person in whose honour you're making the gift. You will receive a card, which you personalize and then send to the person you're honouring. The card explains the impact of your gift in Kitega and allows you the chance to explain how this person has inspired your generosity and moved you to make a difference in the world.

All items in the catalogue represent a real need in Kitega community and either have been budgeted for by Kitega Community Centre for the year or can be provided by the suggested amounts. For items that we've budgeted for, your gift allows us to shift resources to help more people or to focus on other pressing needs in the area. Thus, you can be assured that your gift will be delivered directly to the recipients in Kitega as described in the catalogue. Thank you for your generous spirit.

Educ

Education

Kitega children are motivated and enthusiastic students. However, many come from poor families and lack access to basic educational resources. Their parents struggle to provide them with books, pencils and backpacks. The children attend rural schools that lack adequate furniture, supplies and equipments. Many children also come to school hungry because their parents cannot afford to feed them breakfast. Gifts in this section will equip the children with the necessary learning resources and feed them while they are in school. Help us to feed the mind and body!

Centre

Centre and Community Capacity

Kitega staff are caring and dedicated, and they have achieved great results with limited resources and training opportunities, but greater resources and skills will enable them to be more effective teachers and project managers. Likewise, the local teachers who partner with Kitega centre can better respond to the needs of disabled children if they are given the necessary training.

Seminar on teaching special needs children for 20 local teachers

Gift No: CC1

Price: \$100 USD

Impact: Kitega village is in need of qualified special needs teachers. Special needs children have different weaknesses and strengths and thus need teachers who understand them. Without these teachers, the children will fail to reach their full potential.
